

BLUEBONNET LEARNING CENTER

Dear Parent(s) / Guardian(s),

Summer is approaching. As Bluebonnet Learning Center we are preparing a quality summer school for your children at their school site. We will have both educational and fun activities for kids in a safe environment. There will be one adult supervisor for every 18 kids, reading time, computer time, board games, in- and outside activities and more.

We prepared this survey to learn about your needs and interests. We will shape the structure and the curriculum of our program based on your input. We will appreciate if you spend some time to fill out this survey. Thank you.
