PARENT PORTAL HAS BEEN ACTIVATED FOR ALL OF OUR PARENTS

Dear parents, our student database is ready. You can log-in to the school database and monitor your child's progress.

Please remember that the more the parents are involved, the better the student performs and Harmony online system is a great easy tool serving that purpose.

Please login as much as possible to keep close track of your child's grades, assignments, schedule, attendance records, discipline points and test results.

You only need to enter your user name and password on the database's Username and Password section and click on login button.

User Name: Your child's first name and last name with a space between them.

Password: Your child's birthdate with / (e.g. 4/23/2000).

For questions please email to Ms. Butunay(ebutunay@harmonytx.org).

NOTE: Please allow our teachers enough time to upgrade their Grade book.
