HSA EULESS ROBOTICS TEAM

JOIN FLL ROBOTICS COMPETITION TEAM

... FREE TO JOIN... FREE TO JOIN... FREE TO JOIN... FREE TO JOIN...

Introductory Meeting
Thursday, Oct 8th at 3:10pm
in Science Lab

Regular Meetings
Every Tuesday and Friday
at 3:10

First Lego League (FLL) is a popular robotics competition between middle school students. FLL introduces younger students to real-world engineering challenges by building LEGO-based robots to complete tasks on a thematic playing surface. FLL teams, guided by their imaginations and adult coaches, discover exciting career possibilities and, through the process, learn to make positive contributions to society.

HSA Euless is proud to offer an FLL competition club for 6th, 7th and 8th grade students. The club will get together on Tuesdays and Thursdays between 3:10 pm and 4 pm. As the time passes, FLL team will get together more often and may require team members to spent time on extended hours and weekends when needed.

If you are interested in this challenge, please come to the introductory meeting and sign up for the club. There is no fee for this club. There will be tryouts after first 2 weeks.
